

*Breakthrough of Greater Philadelphia* seeks to be a safe and productive learning environment for students and teachers. Additionally, Breakthrough holds students to high standards and expectations to help our students learn how to be successful in the best high schools in the country on their path to college success. To create and maintain this kind of environment, it is important that we all respect each other and follow the following guidelines. Including policies related to Inclusion, Attendance, Dress Code, Discipline, and Major Offenses including fighting, property damage, and possession of banned items.

All of these regulations are outlined fully in the Breakthrough Student Family Policies Booklet. This document is e-mailed to all families, and the organization reserves the right to update this document at any time and will communicate changes to policies to families in a timely manner.
