Frequently Asked Questions:

What is Breakthrough of Greater Philadelphia?
Breakthrough of Greater Philadelphia is a tuition free, academic enrichment program for highly motivated, under-resourced middle school students.

When should my student apply to Breakthrough?
Unfortunately, we cannot accept students prior to their 6th grade school-year. We may be able to accommodate older students on a wait-list basis into our older classes.

Who are Breakthrough students?
Breakthrough students have above-average grades and are good citizens in their schools. Breakthrough students embrace hard work, challenging tasks, and honest feedback. They support and encourage their peers, are excited to explore and learn new things, and set goals and meet them.

What is the commitment?
Breakthrough families are expected to participate actively in the program starting the summer before seventh grade. The program consists of school-year Saturday programs at least twelve times throughout the school year and a six-week, intensive summer session, before a student’s seventh, eighth, and ninth grade years.

Is it okay to miss a few days of the summer program for a vacation?
Attendance in the summer program is mandatory, except in cases of illness. With a limited number of days in the summer program, students who are absent will fall behind quickly and miss valuable instruction. If your family is planning an extended vacation and your student will miss more than three academic days, you should not apply to the program.

After our family submits an application, what’s next?
Within two weeks of the submission deadline, you will know if you are invited for an interview. Applications received by the priority deadline may be invited to an interview in January or February. Applications received by the regular deadline will be interviewed throughout March and April. After interviews, final decision letters will be mailed by March 1, 2021 for priority deadline and April 1, 2021 for all other applicants.

Where is Breakthrough of Greater Philadelphia?
The Breakthrough office is located at Germantown Friends School, 34 W. Coulter St., Philadelphia, PA 19144. We hold program activities at our two sites: Germantown Friends School and Drexel University.
Is transportation provided?
We are able to provide support for transportation costs via SEPTA for the summer program and Super Saturday program on a financial aid application basis. Students who are unable to take SEPTA will need to be responsible for their own transportation to and from their program site.

When is the application due?
Priority deadline applications are due December 1, 2020. Priority applicants will find out by mid-February whether or not they have moved to the second round of the admissions process. The regular deadline is February 1, 2021 and applicants will find out by mid-March whether they have moved to the next round. Any application received after March 1, 2021 will be put on a waitlist. The earlier you complete your application, the better!

Any important advice?
Breakthrough of Greater Philadelphia is a highly selective program which means that there are many strong applicants who submit applications and only 30-35 students are selected for each site per year. While you may or may not be admitted, this will be a great learning process for you regardless. Put in your best effort. Be yourself and have fun!

9. Guidance Counselor/Principal Form

Breakthrough Philadelphia is a tuition-free, academic enrichment program, which prepares academically motivated, but under-resourced middle-school students to enter and succeed in college-preparatory high school programs and matriculate to a four-year college. Programming for students and families begins the summer before seventh grade and continues during the school year. Breakthrough also prepares the next generation of educators by recruiting and training outstanding high school and college students to become Breakthrough teachers and encouraging them to pursue careers in education and youth-service.
